You have been registered to the Owners Roundtable 2024

You have been registered to participate in the Owners Roundtable 2024. Congratulations!

The Owners Roundtable is all about genuine and valuable discussions

We need to know 1) which roundtables you wish to participate in and 2) your current top challenges for the roundtables you have chosen.

Item 2 could somehow move you outside of your comfort zone, but that's where value is being created.

First of all, if you will be sharing very vague and general information, the input from your peers will be very vague and general.

Secondly, we are committed to creating genuine and valuable discussions. If you submit vague and general top challenges, we will simply contact you and assist you in providing input that will create genuine and valuable discussions.

## Day 1 - Session 1 - Pick your roundtable and submit top challenge

Day 1 - Session 1 - 10:00 - 11:50*
